

Trouvez votre clip solaire

1 Imprimez ce guide (sélectionnez "taille réelle" dans les options d'impression)

Placez une pièce de 1 euro sur cette image pour confirmer que l'échelle est correcte.

2 Placez vos lunettes sur les images de clips dans les pages suivantes pour trouver le clip qui convient

Entre deux tailles, choisissez la plus grande.

3 Choisissez la couleur de vos verres

Tous ces modèles sont disponibles en verres de coloris :

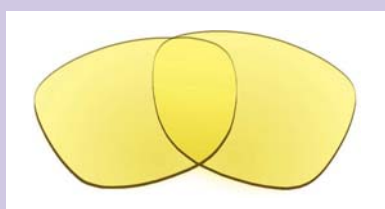

Brun

Vert G15

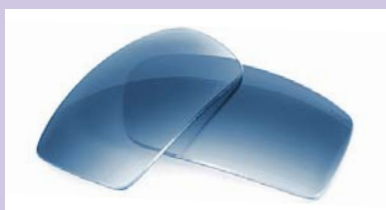

Gris

Jaune Polarisant Driving

Blue Block protect Digital

Dégradé Bleu

Dégradé Brun

Dégradé vert G15

Dégradé Gris

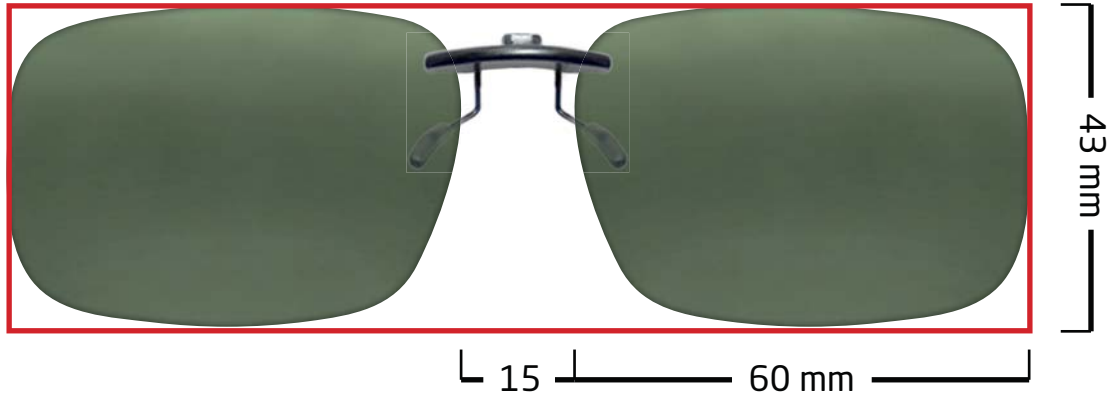

Le pont du clip solaire se pince au niveau du nez de votre monture.
