Trouvez votre Clip Solaire

Fabrication
française

1 **Imprimez ce guide** (sélectionnez "taille réelle" dans les options d'impression)
Placez une pièce de 1 euro sur cette image
pour confirmer que l'échelle est correcte.

2 **Placez vos lunettes sur les images de clips dans les pages
suivantes pour trouver le clip qui convient**
Entre deux tailles, choisissez la plus grande.

3 **Choisissez la couleur de vos verres**
Tous ces modèles sont disponibles en verres de coloris :

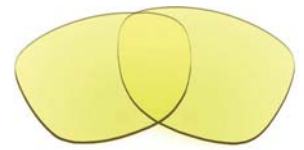

Brun

Vert G15

Gris

Jaune Polarisant Driving

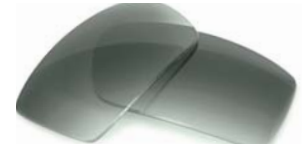

Blue Block protect Digital

Dégradé Bleu

Dégradé Brun

Dégradé vert G15

Dégradé Gris

Miroité bleu

Miroité orange

Miroité silver

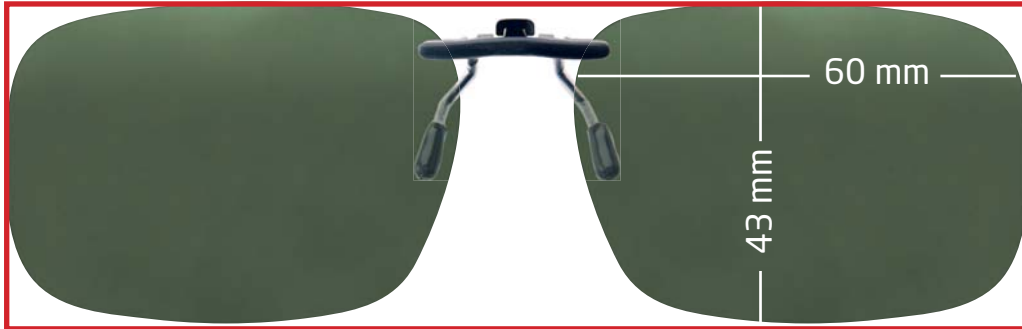

Le pont du clip solaire se pince au niveau
du nez de votre monture.
